Re: Application for the Marketing Intern position

Dear Hiring Manager,

I am applying for the Marketing Intern position you posted on AZERWEB.AZ. I am a fourth-year Business Administration student at ADA University and have completed a digital marketing course.

I do not have much work experience yet, but in a student project my team of four built a three-month Instagram content plan for a café, and the page grew from 800 to 2,100 followers in two months. I also worked as a sales assistant last summer and enjoy working with customers.

I can work 30 hours a week and I am keen to learn. My CV is attached, and I would be glad to meet for an interview at a time that suits you.

Kind regards,
Murad Aliyev
